Corazón de
MEXICO

The COACHELLA VALLEY HISTORY MUSEUM is currently presenting their exhibit *Corazón de Mexico* (The Heart of Mexico). From a gift of over 100 pieces of original, authentic folk art from a donor who spent years living and traveling throughout Mexico, the exhibit displays select pieces of folk art representing textiles, pottery, costumes, wooden toys and lacquerware. Folk art has been described as decorative as well as utilitarian.

The Coachella Valley has a long, rich history of settlement by people from Mexico. The intent of the exhibit, and the accompanying programming throughout the year, is to foster a deeper understanding and appreciation of the artisans of Mexican Folk Art.

This exhibit will provide a rare opportunity for visitors and residents alike to experience this vibrant form of artistic expression drawn from Oaxaca, Michoacán, Guerrero and artisan villages throughout Mexico.

A MESSAGE FROM THE FUNDRAISER CHAIR

Nothing is as classic as Bond, James Bond. We hope that you truly enjoy our Bond Inspired Fashion Show today. From *Dr. No* (1962) to *No Time To Die* (in theaters April 2020) James Bond has been mesmerizing us since 1962. I can't imagine that novelist Ian Fleming in 1953 could have foreseen the true magic of his fictional character James Bond. Whether your favorite Bond was Sean Connery, Roger Moore, Timothy Dalton, Pierce Brosnan or Daniel Craig, they each brought a distinct flavor to the world-saving, rule-breaking, ladies man character that keeps us clamoring for more.

I am a proud twenty-one year member of the Woman's Club of Indio and have served as a past President, and Fundraising Chair for eleven years of my membership. The friendships I have made will last a lifetime and I have learned so much from all the extraordinary club members! This event truly expresses the best our community has to offer. From our hardworking committee members, to our donors, our sponsors, our members and guests, we come together every year to celebrate our community, spend a few enjoyable hours with friends and family while we raise awareness and funds to enhance our community.

We sincerely appreciate those who volunteered to make our event extra special. They include models who are Officers from the Indio Police Department and Patrick Farrell from the COD Foundation. Thank you to Police Officers Association President Jason Polanco and Chief Mike Washburn for allowing the Officers to be part of our event. Our gratitude is also extended to our Mistress of Ceremonies Thalia Hayden, News Anchor for NBC Palm Springs/KMIR and so many more for their support and all they do in community. Each and everyone of you are an important part of this day and our mission.

We are 123 members strong and growing! If you are not a member, we invite you to consider joining our organization. The Woman's Club of Indio started as a mobile library in 1912 and now has served our community through projects and fundraising endeavors for 108 years. Thank you for going on this mission with us to benefit those of our community. Please visit our website to accept future missions: www.WCIndio.org.

Thank you for being part of our day!

Gloria Franz
Fundraising Chairwoman
